

Peach State Cadillac and LaSalle Club medallions!

Get them for your four-wheeled baby! Or babies...

PSCLC is once again offering you the latest in CLC and Peach State region memorabilia. This is a high quality collectible, a coin struck uniquely for us by a world renowned mint, constructed especially to serve as your favorite key chain for your Cadillacs and LaSalles.

Photo below shows both sides and the slipcase. Two coins shown; this photo prints at actual size.

These are Challenge Coins. Hefty, thick doubloons, 1.5" in diameter, polished gold metal on both sides, with colorful painted logos: Peach State CLC's logo on the front and the National CLC's logo on the reverse. It's a substantial piece, worthy of Cadillac. These coins have been cast with a loop and chain to hold your keys. We sold out 100 in a couple months, and now have just 50 more.
