Peach State Cadillac and LaSalle Club

Your membership will pay huge dividends in added driving pleasure and new-found friendships!

About the Peach State Cadillac & LaSalle Club

We're a regional affiliate of the *Cadillac & LaSalle Club International*. Over 7,000 members strong worldwide!

We're a very friendly bunch but we don't do regular meetings. That's because we're too busy cruising, picnicking and touring! We have something going almost **every weekend** for 11 months of the year. From February to December there are cruise-ins **all around the metro ATL area**. See the far right panel to get an idea of our meet-ups, cruise-ins, parades and more!

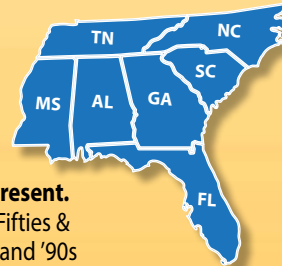

Special trips to car museums and participation in juried shows.

Clubbing with Cadillac Aficionados

Peach State CLC currently has **115 active members and 15 supporters** from all over Georgia, Tennessee, Florida, Alabama, North and South Carolina — and we all *LOVE* all Cadillacs!

Our cars range in age from 1916 to the present. The most popular decades with us are the Fifties & Sixties (over 90!). We have 42 from the '80s and '90s and over 40 from '49 and back. And 21 from 2000 to 2016!

Beaucoup Events!

So many opportunities to show off your Cadillac! Come along as we visit the big time collectors' showrooms around Georgia! Or come to one of our special events, like touring the **Swan House** or the **Little White House** in Warm Springs. There's an **Easter Parade** in April, a 3-day driving tour in the Spring, and a 2-day tour in the Fall. We try to visit a **concours** in the Spring (**Amelia Island**) or Fall (**Hilton Head**). The **CLC Grand National** is a week in the Summer. In the Fall there's the **north Georgia apple orchards** and **drive-in movies**, the **Marist and Athens Classic Car Shows**, the **Oakland Cemetery Tour**. At Christmas, we have a **very stylish party with an exciting Cadillac auction and awards ceremony**. February brings the annual **Comstock Chili Cook-off**. *Great fun, beautiful cars and fabulous friends!* Check our events calendar on the web site - www.PeachStateCLC.org

Left, many of our cars appear in local parades honoring veterans, holidays and charities. Below, our Fall Blue Ridge Mountains Cadillac Cruise.
