

ROAD TRIP TO MACON! January 20, 2024

Scouting out a Cadillac collection for photos, inventory and early heads up of 25 Cadillacs and memorabilia FOR SALE!

We are working with a new member, Andy White, who inherited his great-uncle's Cadillac collection. Andy lives in Virginia, but the cars and memorabilia are in Macon. Andy needs to figure out what he's got so he can begin the process of selling it and clearing the land. He'll be flying in to join us.

The cars belonged to Edwin Greenway, a noted Macon collector. There are 25 mostly '70s Cadillacs, and they are parked in a field. There's also at least one '64, a hearse, and a '74-'76 limo. Our task is to split up, take photos and produce an inventory of the 25 cars.

Apple iCloud photos for review:

There is also an extensive collection of Cadillac memorabilia (literature, parts, and model cars). Again, our task is to inventory and take photos Andy can use to market his sale. The memorabilia are all in storage in Warner Robins, 30 minutes from the cars.

Here's the itinerary for January 20. Once we get to the rally spot in Macon we would form teams/pairs with specific assignments for photos. I'll provide copies of a paper sheet for logging what we find - in order to save time on site. Once we're back home we will combine the worksheets into a pre-designed Excel spreadsheet.
